

## DECLARATION

I, Deborah Hart, do hereby declare under penalty of perjury as follows:

I have served as Harriet Bullitt's assistant since May 1, 2000. During this time Ms. Bullitt has mentored me in both her personal and business interests. Because of my knowledge and Ms. Bullitt's trust that I will act honorably on her behalf, putting her best interest in the forefront of my actions, she asked me many years ago if I would serve one day as her Power of Attorney (POA). My role as POA would be activated once Ms. Bullitt either couldn't act on her own behalf, or when she decided she did not want to act on her own behalf.

Ms. Bullitt signed the POA to me in 2018, because of her advanced age and due to her decreased desire and energy to stay current on all of her personal and business matters. Since 2018, she has experienced two strokes, suffered a broken hip which has left her unable to walk, and has a feeding tube inserted in her stomach. Harriet spends the majority of her time sleeping or just resting as comfortably as possible.

Without assistance to apply pressure and guide her hand, Ms. Bullitt is not able to grasp a pen to write her own signature.

Transferring her ownership of the KOHO-FM license to the Sleeping Lady Foundation has been a part of Ms. Bullitt's estate planning for years. At this time, I am acting on her desire, both as an officer of Icicle Broadcasting, Inc., and as Ms. Bullitt's POA, to request this transfer of ownership to be approved by the FCC as quickly as possible.
