

### **Online Public Inspection File**

The requisite materials were timely provided in the KHPX-CD<sup>1</sup> online public inspection file with the following exceptions:

- 2014 – 2015 EEO Public File, due April 1, 2015
- 2017 Commercial Limits Certification

KHPX-CD is a Class A station and broadcasts certain of the programming also aired on KNVA(TV), Austin, Texas FAC ID 144. When political advertisements aired they were contracted for on behalf of KNVA(TV) and the relevant documentation was continually uploaded to the KNVA(TV) political subfolder on the online public inspection file. In an abundance of caution, KHPX-CD is uploading these political documents to its public online inspection file and will continue do so on a going forward basis.
