Public Inspection File

The annual Children's Television Programming Report for 2021 was filed one day late because of a miscalculation of the due date. Four Issues/Programs Lists were uploaded a few days late (1st and 3rd quarters of 2019, 4th quarter 2020, and 2nd quarter 2021) and the 1st quarter 2019 Commercial Limits Certificate was filed late on April 29, 2019. KWES-TV continued to upload quarterly reports for 2020, and later uploaded an annual report in April 2020.

It is the station's policy to upload new and revised orders to its political file as soon as possible once an order or change has been accepted and processed. During periods of especially high activity, some political file updates may be delayed, particularly with respect to information revising ongoing orders or reconciling completed orders. Station personnel are available to answer questions from the public regarding any revision or reconciliation information not yet reflected in the station's political file. An internal audit of the station's political file, which was conducted in connection with the preparation of this renewal application, identified 41 orders placed in 2020 and 2021 that were uploaded to the political file more than seven days after being placed, including 8 missing orders that were uploaded once identified in the audit.
