iHeartMedia / Pittsburgh, PA
Narrative Statement

iHeartMedia stations strive for broad and inclusive outreach. Examples of the efforts made by stations in this employment unit include establishing a mentoring program, participating in local job fairs, and hosting a studio tour for local high school students.

For additional information concerning the outreach efforts undertaken by stations in this employment unit, see the attached EEO Public File Reports. As a result of staff furloughs during the COVID-19 pandemic, outreach for certain vacancies was not conducted consistent with established protocols. The SEU is working to enhance its procedures moving forward, including improving communications between our hiring managers and our EEO team and working to confirm that our entitled sources remain interested in our job vacancies.
