Operations Certification

K26GY-D was acquired by the current licensee on April 26, 2021. It ceased operations of the station on June 4, 2021, due to technical issues with the station's transmitter and the FCC was notified on June 11, 2021 (FCC File Number 0000150037). The station resumed operations on June 30, 2021, and the Commission was duly notified (FCC File Number 0000151420).

In addition, the former licensee ceased operations of the station on March 30, 2018 and filed for Special Temporary Authority on April 11, 2018 (FCC File Number 0000052487), which was granted through October 11, 2018. An application to extend the STA was filed October 5, 2018 (FCC File Number 0000060793), which was dismissed as moot. The station resumed operations on March 26, 2019 (FCC File Number 0000068700).
