Subject: KMSQ-LD

This concerns the request for waiver of the tolling rule filed by KMSQ-LD, Mesquite, NV, LMS File No. 0000179602. On January 20, 2022, the Video Division sent you a letter stating that we were unable to process the request for tolling waiver without additional information and providing you 30 days to amend. We have not received a response. Please provide a response to the deficiency letter by April 7, 2022. If we do not receive a response by then, we will proceed with considering your request for tolling waiver as filed.

If you have any questions concerning this matter, please contact me.
