

AZED 5 Communications, LLC Multiple Ownership Exhibit

AZED 5 Communications, LLC, the proposed assignee, currently has no other attributable interests in any broadcasting facility or medium of mass communications. Pursuant to this application for consent to assignment of license, AZED 5 is seeking to acquire the license for KCYN(FM), Facility ID No. 72729, Moab, Utah, and KCPX(AM), Facility ID No. 160408, Spanish Valley, Utah, from their current licensee Moab Communications LLC.

The proposed acquisition of KCYN and KCPX is in accordance with the Commission's multiple ownership rules. While the two stations are located in communities of license a few miles apart and thus the same market, common ownership of one AM station and one FM station is permissible in even the smallest markets. *See* 47 C.F.R. §73.3555(a)(1)(iv).
