**Online Public Inspection File**

Rocky Mountain Public Media, Inc. (RMPM), licensee of noncommercial educational television station KRMJ, Grand Junction, Colorado, reports the following with regard to the timely placement of three (3) items into the station's public inspection file. The KRMJ online public inspection file is complete with all required items, but three (3) quarterly issues program lists were uploaded late during the current license term: the 2017 3<sup>rd</sup> quarter report was uploaded two (2) days late; the 2016 4<sup>th</sup> quarter report was uploaded approximately two (2) months late; and the 2014 3<sup>rd</sup> quarter report was uploaded three (3) days late. RMPM regrets the brief delay in the upload of these items but believes that station's online public file is now complete and has been substantially compliant throughout the license term.
