

Nature of Amendment  
K10PM, Breckenridge, CO Renewal Application  
April 2022

The application is amended to update the contact person and certifying officer for the licensee as there has been a change in the president of the organization.

The application is amended at the request of FCC staff to change the response regarding Non-Discriminatory Advertising from "N/A" to "yes." The station did not solicit or air advertising. It rebroadcasts a noncommercial educational primary station.
