

WTTW License Modification Application

Other Broadcast Interests

Window to the World Communications, Inc. ("WWCI"), is a nonprofit community licensee in Chicago, Illinois.

WWCI is the licensee of co-owned channel-sharing noncommercial educational TV stations WTTW, Chicago, Illinois (FIN 10802) and WYCC, Chicago, Illinois (FIN 12279) and the licensee of FM radio station WFMT, Chicago, Illinois (FIN 10801).

This application seeks to modify the WTTW license to dissolve the channel share such that the WTTW license has the full channel capacity. The WYCC license authorization is being surrendered to the FCC per the terms of the FCC rules on channel sharing .
