

St. Gabriel Communications  
NEW, Spencer IA  
Application File No. 167515  
May 2022

#### PURPOSE OF AMENDMENT

The purpose of this amendment is to modify the technical proposal in order to remove mutual exclusivity and to enable the application to be granted.

The Application was grouped with three other applications in MX Group 78:

File No. 167071 Fairmont Area Catholic Radio, Fairmont MN ("Fairmont")  
File No. 167877 VCY America, Inc., Sherburn MN ("VCY")  
File No. 167166 We Have This Hope Christian Radio, Inc., Windom MN ("Hope")

The Application was MX'd only with the VCY application.

The Commission chose Fairmont as the Tentative Selectee. See Memorandum Opinion and Order, DA 22-356, released April 4, 2022.

The Commission intends to dismiss the applications of VCY and Hope upon grant of the Fairmont application.

Accordingly, by this amendment, St. Gabriel Communications removes the mutual exclusivity with the VCY application. The public interest will be served by grant of the application, providing a new noncommercial educational service at Spencer, Iowa. It is respectfully requested.
