

MULTIPLE OWNERSHIP RULE COMPLIANCE

Bustos Media Holdings, LLC is the licensee of the following primary broadcast stations in the Tucson, Arizona radio metro market, as of Spring 2021 the nation's 62nd largest such market:

- KVOI(AM), Cortaro, AZ, Facility ID #13969
- KTGV(FM), Oracle, AZ, Facility ID #57504

Tucson is the county seat of Pima County, Arizona, where Casas Adobes, Cortaro and Oracle, Arizona are all located.

By acquiring KZLZ(FM), licensed to Casas Adobes, AZ, Bustos Media Holdings, LLC would then be the licensee of one AM and two FM primary stations in the Tucson market.

According to the FCC's LMS database, there are at least eleven other full power AM stations and thirteen full power FM stations licensed to communities in the Tucson radio metro market (see attached list), for a total of twenty-four primary broadcastd stations.

Therefore, since Bustos Media Holdings, LLC would own just three primary broadcast stations in a market of over 15 radio stations, where one party may own as many as six primary broadcast stations, a maximum of four in any one service, . a grant of consent to the proposed acquisition of KZLZ(FM) would comply with the FCC's Multiple Ownership Rule, 47 C.F.R. §73.3555(a)(1)(iii).
