

## Assignee Exhibit

### **Multiple Ownership Compliance**

Assignee currently has no other media ownership interests. Assignee is purchasing two radio stations currently owned by the same licensee, Globecom LLC. (One, KIOX-FM, in this application and the other, KKHA(FM) in the currently pending assignment LMS 0000140236.) Since ownership of the two stations by the current licensee complies with the multiple ownership rules and no changes are being made to the facilities of either station, Assignee's purchase of these two stations complies with the FCC's multiple ownership rules.
