

KOB-TV, LLC is the licensee of TV translator K25FI-D, Mora, New Mexico (Facility ID 22271). K25FI-D has ceased broadcast operations because of the ongoing crisis caused by high winds and wildfires in New Mexico. Fire has destroyed the poles which connect K25FI-D to electric power. Consequently, K25FI-D is unable to broadcast. KOB-TV hopes to return K25FI-D to service once electricity is restored.
