III. Non-Vacancy Specific Recruitment Efforts During Reporting

<p>Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions.</p>	<p>On March 7, 2022, the KTNV station automated their production process. The entire production team were trained to be a Director III to improve their skill sets and job knowledge and were provided with online modules, training sessions with Sony Representatives and on hand training session to help prepare them for the role. The training opportunity allowed all of the Studio Technicians within the production team to have an opportunity to obtain invaluable skill sets by working in an automated environment and gave them a promotional opportunity and potential increase in their compensation package. As a result, all positions available were filled by an internal employee.</p>
	<p>In June 2021, the Sales Leadership Team created a training-based contest for the Sales Team. The objective was to help the team practice and improve on their creativity level, presentation skills, ability to do their research, communicate benefits to clients and help them handle client objections.
