PUBLIC INSPECTION FILE

Forsythe Broadcasting, LLC (“Forsythe” or “Applicant”) discloses that it has inadvertently failed to timely prepare upload Issues/Programming Lists. Where these inadvertent errors are capable of correction, Forsythe will prepare and/or upload the appropriate documentation as promptly as possible.

As disclosed in another Exhibit to the subject renewal application, Forsythe is belatedly filing its December 2021 Biennial Ownership Report, which was inadvertently not timely submitted. Due to that oversight, a copy of that Report was also not timely linked to the public inspection file for Station WNJC(AM).

Out of an abundance of caution, Forsythe advises the Commission that it has not had requests for candidate uses or orders for the purchase of time by candidates or other political/issues ads in more than two years; there are no documents currently required to be in the political file.
