WXBA operates with no paid staff. During the preceding license term, station operations were significantly affected by the Covid-19 pandemic and closure of the school campus because of the pandemic. As a result, issues and programs lists and ownership filings have not been made on time.

Recognizing the difficulties of maintaining FCC compliance with limited staffing, WXBA has begun to receive compliance assistance from a previous chief operator and is prepared to enter into a new consent decree to ensure that WXBA remains compliant during the next license term.

Sincerely,

Francis Lapple
