

### **Multiple Ownership Exhibit**

The station proposed to be acquired by Radio Redentor Inc. (“Assignee”), WZIN (FM), Charlotte Amalie, VI, is located in the Puerto Rico rated market. As shown in the attached BIA Market Report, that market contains a total of 132 commercial and noncommercial full-power stations. Under Section 73.3555(a)(1)(i) of the Commission’s rules, in markets with 45 or more full-power radio stations, a single entity may have cognizable interests in a maximum of eight commercial stations in total and not more than five in the same service.

Assignee is currently the licensee of one full-power FM station in the Puerto Rico Market: WERR (FM). Neither the Assignee nor any parties with attributable interests in the Assignee have cognizable interests in any other stations in this market. Accordingly, with grant of the instant application, Assignee would be the licensee of two stations in the Puerto Rico market, both FMs, which is within the FCC’s multiple ownership limits.
