

Gallup Public Radio
Black Rock, NM
Channel 220

Certification Narratives

Gallup Public Radio (the “Applicant”) submits the following information in support of its application (the “Application”) for a new noncommercial radio station.

Eligibility Certifications

The Commission has previously granted a broadcast application BPED-19900813MI that found the Applicant qualified as a noncommercial educational entity with a qualifying educational program. The Applicant will use the proposed station to advance a program similar to that the Commission has found qualifying in applicant's previous application.

Other Authorizations

The Applicant possesses an attributable interest in the following facility:

- KGLP (FID 23052), Gallup, NM

Reasonable Assurance

The tower identified in this application is owned by:

Smith Bagley Inc

The Applicant has received reasonable assurance of site availability from the following individual:

Name: Susan Gabler

Title: Real Estate Information & Construction Services Specialist (employee)

Phone Number: (928) 537-0375

Basis of Calculations

All exhibits and calculations accompanying the Application were prepared using FCC NGDC 30 Second terrain data unless noted otherwise.

All population measurements were made using census block data available from the United States Bureau of the Census. The data is from the 2010 Census. The centroid method was utilized for all population measurements.

All contours are based on the standard predicted contours established in 47 CFR § 73.313(c).
