

### **Request for Silent Special Temporary Authority**

DTV America Corporation (“Licensee”) respectfully requests Silent Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Low Power Television station.

The Licensee is working diligently to replace a damaged IP encoder. Once the replacement IP encoder is received and installed, the station will return to authorized operations. The Licensee will continue to work diligently with the local engineer to facilitate an expeditious return to licensed operations.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.<sup>1</sup> In contrast, the STA requested here would be for a period of up to six months.
