

**ENGINEERING STATEMENT COVERING
BROADCAST MULTIPLE OWNERSHIP STUDY
MAX RADIO OF DENVER LLC
DENVER, COLORADO**

JUNE 2022

This engineering statement is submitted for the purpose of updating multiple ownership data for stations currently licensed in the market. No facility technical changes are proposed at this time. This statement has been prepared on behalf of **Max Radio of Denver LLC (“Max”)**. This statement shows **Max** compliance with *Section 73.3555* of the Commission’s Rules with respect to multiple ownership of AM and FM broadcast facilities.

Max proposes continued common ownership in the following two stations:

KFCO(FM)	Bennett,CO	107.1 MHz	97 kW	Facility ID 35023
KJHM(FM)	Watkins, CO	101.5 MHz	97 kW	Facility ID 38629

These two stations are found in Nielsen Market No. 19, Denver-Boulder, Colorado. Attached is a BIA FCC Geographic Market Definition for Denver-Boulder, CO. Both stations are listed as in the market and there are a total of 56 stations in the market, including KFCO and KJHM. The ownership of two stations in a market of this size is specified in *Section 73.3555(a)(1)(i)*. In a market of 45 or more full power, commercial and noncommercial radio stations, not more than 8 stations total can be owned and not more than 5 stations in the same service may be owned. It is clear that ownership of two stations in the same service is compliant.

Based on the above analysis, it is believed that the proposed common ownership of stations follows *Section 73.3555(a)(1)(i)* of the Commission’s Rules.

The foregoing was prepared on behalf of **Max Radio of Denver LLC** by Clarence M. Beverage of *Communications Technologies, Inc.*, Medford, New Jersey, whose qualifications are a matter of record with the Federal Communications Commission. The undersigned certifies, under penalty of perjury, that the statements herein are true and correct of his own knowledge, except such statements made on information and belief, and as to these statements he believes them to be true and correct.
