

Request for Silent Special Temporary Authority

DTV America Corporation (“Licensee”) respectfully requests Silent Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Low Power Television station.

High temperatures have burned out several of the rigid coaxial lines. The Licensee has ordered replacement parts and will work diligently to facilitate an expeditious return to licensed operations.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.¹ In contrast, the STA requested here would be for a period of up to six months.
