

**Certification Regarding Compliance with  
Children's Programming Commercial Limits During the Preceding License Term**

As a standard practice, all programs designed for children 12 years of age and younger that were broadcast on the station were formatted to allow no more than 10.5 minutes of commercial time per hour on weekends and 12 minutes of commercial time per hour on weekdays. There were no occasions during the preceding license term on which these limitations were exceeded. We note, however, that a commercial for Hot Wheels Super Ultimate Garage was aired on eleven occasions during eight 30-minute-long episodes of *Team Hot Wheels* between November 10, 2018 and December 16, 2018. The commercial was pulled from the program immediately after discovery. Applicant also notes that it inadvertently omitted reference to this issue in its Fourth Quarter 2018 Commercial Limitations Certification, but uploaded an amended certification to its Public Inspection File on June 16, 2020.
