

Rebroadcast Status/Consent Exhibit

The Rebroadcast Status and Consent Questions in the license renewal application for K25QL-D, Chico, California (Facility ID No. 188676) (“K25QL-D”), have both been answered “N/A” because K25QL-D does not rebroadcast the signal of a full power television, Class A television, or low power television station. Instead, K25QL-D originates its own programming.
