Hi Mark.

Guess you folks can go into the L Street NE building. Must be strange.

I write to request a changeover from LPTV status to TV Translator for

K29NN-D Facility ID 14158

Licensed to my client County Service Area 29, San Bernardino County, California

We recently discovered that this translator was misclassified and in January tried to change the status through administrative update.

As you and I have discussed, this does not work.

Anything you can do would certainly be appreciated.
