**Reduced Power Notification**

KVUE Television, Inc., licensee of television station KVUE, Austin, TX, hereby notifies the Commission that KVUE has been operating at 50% of its licensed power since July 12, 2022, due to the failure of a defective transmitter tube. The tube has been returned to the vendor for evaluation and repair. In the meantime, the station is evaluating whether it would be possible to temporarily reinstall a previously used transmitter tube that the failed tube had been installed to replace.
