

**Rebroadcast Status/Consent Exhibit**

The Rebroadcast Status and Consent Questions in the license renewal application for KULC-LD, Port Arthur, Texas (Facility ID No. 182050) (“KULC-LD”), have both been answered “N/A” because KULC-LD does not rebroadcast the signal of a full power television, Class A television, or low power television station. Instead, KULC-LD originates its own programming.
