

Periods of Silence

During the most recent license renewal period, KULC-LD, Port Arthur, Texas (Facility ID No. 182050) (“KULC-LD”), was silent for more than 30 consecutive days.

KULC-LD went silent on September 10, 2021, to conserve financial resources while KULC-LD’s licensee, Lowcountry 34 Media, LLC (“Lowcountry”), continues to build out its broadcast network. On September 20, 2021, Lowcountry filed a Notification of Suspension of Operations and Request for Special Temporary Authority (“Silent STA”) for KULC-LD. *See* LMS File No. 0000159765. KULC-LD’s Silent STA was granted on March 3, 2022, and will expire on September 4, 2022.

KULC-LD remains silent as of the date of the filing of this instant license renewal application. Lowcountry anticipates that KULC-LD will need to remain silent as KULC-LD’s engineer is currently out of state, there may need to be a further modification filed to change equipment, and Lowcountry’s engineer is busy with other projects. Nevertheless, Lowcountry anticipates that KULC-LD will resume operations by the Silent STA’s expiration date of September 4, 2022.

Lowcountry shall file an amendment to KULC-LD’s license renewal application when KULC-LD resumes operations.
