

**Biennial Ownership Reports**

The Licensee and its direct corporate parent, News-Press & Gazette Company (“NPG”), timely filed 2015 Biennial Ownership Reports for KION-TV (the “Station”) and associated authorizations. The “parent” Reports for the trusts through which the holders of NPG’s voting interests are held were not filed until January 2016. The beneficial owners were timely disclosed. The Licensee respectfully submits that this brief delay in filing the trust entity Reports is not material to the Licensee’s overall compliance with 47 C.F.R. § 73.3615.
