

KOB-TV, LLC, the licensee of TV translator station K21OD-D, Many Farms, Arizona, on August 2, 2022, learned that K21OD-D went silent on, approximately, August 1, 2022. The loss of broadcast operations by K21OD-D was caused by the utility company providing electricity to the station shutting down electric service due to the poor condition of the electric power lines serving K21OD-D. Currently, there is no estimate as to when electricity will be restored to the site.
