

Exhibit #2
AMENDMENT
Immediate Family Members

Aurio A. Matos Barreto and Juan Carlos Matos Barreto are siblings. This family relationship do not represent an issue because of the following reasons;

- 1- WDNO-AM and WNVI-AM are not part of the same market. WDNO is licensed to Quebradillas, Puerto Rico located at the north of the island and primarily part of the Arecibo radio market.
- 2- WNVI-AM is licensed to Moca, PR located at west side of the island making it part of the west market. Primarily to the market of Aguadilla and Mayaguez.
- 3- The swap agreement is precisely to show our interest to serve different markets due to our different goals and programming.
- 4- Perhaps we are brothers (siblings) each of us like adults are independent with our own families, wives and children's with separate houses to live and each of us do not share common ownerships on none of our stations. Aurio keeps full control of his radio properties and Juan Carlos Matos do the same with his stations or thru his corporation New Life Broadcasting, Inc. licensee of AM Station WNVI. See the history of our Ownership Reports filed with the FCC where we disclose everything to the agency.
- 5- We do not own more than one stations on these radio markets before or after this transaction get FCC consent. (See Radio Ownership Compliance Document prepared by the Consulting Firm Du Treil, Lunding and Racley).
- 6- Aurio A. Matos and Juan Carlos Matos certify that we do not control or influence the operations or decisions of each other regarding our media interest.
