Facility ID No. 56830  
International Communications Network, Inc.

#### Late-Filed License Renewal Application

The licensee, International Communications Network, Inc. (“ICN”), acknowledges and regrets the fact that this renewal application is being filed several days after the August 1, 2022 deadline established by application of Sections 73.3539(a) and 74.789 of the Commission’s Rules. ICN is a small broadcaster that owns no other stations other than KSDY-LD. Regrettably, due to the press of other business, ICN overlooked the August 1, 2022 deadline until after the date had passed. ICN apologizes for the untimeliness of its renewal application and requests the application be granted in due course.

#### Rebroadcast Status and Consent

Station KSDY-LD originates programming and does not rebroadcast the signal of a full power TV, Class A TV or LPTV station.

#### Biennial Ownership Reports

Through inadvertence, ICN did not file its 2019 Biennial Ownership Report (due by January 31, 2020) and regrets the oversight. ICN filed its most recent Biennial Ownership Report (due December 1, 2021), albeit slightly untimely (on December 16, 2021).

#### Multiple Ownership

KSDY-LD is a low power television station to which the FCC’s media ownership limitations do not apply.
