

Reasons for Application for Minor Modification of License W18EN-D

TV Red de Puerto Rico is hereby requesting a Minor License modification to relocate the facility of W18DQ-D to a proposed new site that will improve the station coverage.

The proposed site is located less than 26 miles from the licensed site and as shown in Figure 1, the proposed facility will have overlap of service contours with the licensed facility. A copy of the TVStudy, performed with a L-R cell size of 0.5 km. and terrain profile increment of 0.1 km. is attached. As shown in this TVstudy, no adverse interference is caused to any other TV facility.
