

**KRHP-CD, The Dalles, Oregon (Fac. Id. 56971)**  
**Renewal Application**  
**Minimum Operating Schedule**

TW Broadcasting, LLC acquired this station on May 25, 2022. For a period of approximately 90 days from December 18, 2021 – March 8, 2022, the prior licensee did not operate the station. The prior licensee surrendered the license to the FCC in December 17, 2021 (0000177475), ceased operating on December 18, 2021, and filed for silent temporary authority (0000177405). Subsequently, the prior licensee requested reinstatement of the station license, which was granted on March 8, 2022. The station resumed operations on March 11, 2022 (0000186654). The current licensee, TW Broadcasting, LLC, purchased the station after the FCC recognized the continued validity of the station license and approved the assignment of the license (0000186758). While TW Broadcasting, LLC was not responsible for the station's silence before it acquired the station, the scope of the renewal certification question refers to the "license term" and therefore TW Broadcasting, LLC has responded "no" to the question and provided this explanation. The station has operated continuously since TW Broadcasting closed on the acquisition.
