

## **NCE-FM FIRST AND SECOND SERVICE SHOWING (Amendment)**

This amendment reduces the first and second NCE-FM service values.

### For Country Squires Lake, IN Application

Proposed 60 dBu F50,50 Contour Population : 61,471

First-Service Population within 60 dBu F50,50 Contour: 1,475 (2.4%)

Second-Service Population within 60 dBu F50,50 Contour: 4,818 (7.8%)

Aggregate First & Second Service Population within 60 dBu F50,50 Contour: 6,293 (10.2%)

The above is based on including granted and unexpired CPs for new unbuilt NCE FM stations and the licensed facilities of built stations. Vacant allotments and pending applications were not included. AM stations and/or FM stations in the reserved band that are not specifically reserved for NCE-FM were also not included.
