

**Request for Limited Extension of Deadline for K22JW-D to Submit Invoices for Reimbursement from the LPTV Broadcaster Reimbursement Fund**

DAIJ Media, LLC (“DAIJ”), licensee of LPTV digital television broadcast station K22JW-D, Victoria, Texas (Facility ID No. 161610) (the “Station” or “K22JW”), hereby seeks a limited extension, to and including December 6, 2022, of its current September 6, 2022 deadline to submit all remaining invoices for reimbursement from the LPTV Broadcaster Relocation Fund (“Fund”).

By its Public Notice, *Incentive Auction Task Force and Media Bureau Remind Reimbursement Program Participants that the Third and Final Filing Deadline Approaches in 30 Days*, DA 22-817 (Aug. 4, 2022) (“Notice”), the Incentive Auction Task Force and Media Bureau (“Bureau”) reminded all low power TV and TV translator stations that they must submit all remaining invoices in the TV Broadcaster Relocation Fund no later than September 6, 2022. The *Notice* (at n.5) also made clear that, in appropriate circumstances, the Commission would entertain requests for a limited extension of a station’s deadline.

DAIJ’s final repack displacement permit (File No. 0000197869) has not yet expired. DAIJ is in the final process of construction, and anticipates completing construction within the next 45 days. Therefore, to allow sufficient time for DAIJ to submit its final Repack-related invoices for reimbursement, DAIJ requests an extension of time for 90 days, until December 5, 2022.

K22JW is acting with diligence throughout this process over multiple years and in a good faith effort to meet repack deadlines in a manner consistent with this project’s complexity and risk. The public interest will clearly be served, and not suffer, by grant of this request. For all of the foregoing reasons, Commission grant of a limited extension to December 5, 2022 of the

deadline for K22JW to submit K22JW repack-related invoices for Fund reimbursement is amply justified. Such relief is respectfully requested.
