

### **Request to Withdraw License to Cover Application**

Puerto Rico Public Broadcasting Corporation (“PRPBC”), licensee of full-power television Station WIPM(DT), Mayaguez, Puerto Rico (Facility ID No. 53863) (“Station”), respectfully requests the voluntary withdrawal of its pending application for license to cover, File No. 0000199182 (“LTC Application”). The LTC Application contained incorrect information regarding the radiation center above mean sea level associated with the Station’s antenna. An application for minor modification of the Station’s underlying construction permit will be filed in the near term. Once granted, PRPBC will file a new application for license to cover.
