EXPLANATION FOR SILENCE

Station KXRS(FM) went silent on September 5, 2022 as a result of its tower site being destroyed in the Fairview wildfire in/near Hemet, CA. While plans to establish a temporary site from which the station could seek authorization to operate are ongoing, delays have occurred given continued fire related issues in the area.

If the station will remain off air for more than 30-days, a request for Special Temporary Authority to remain silent will be filed.
