

Request to Extend Engineering STA

On November 1, 2021, Venture Technologies Group, LLC (“Licensee”) was granted 0000163551, an Engineering STA to operate W25FA-D at the facility specified in this application. The facility proposed herein is identical to the facility authorized in W25FA’s construction permit (0000127436) except with a power ERP.

The Engineering STA is scheduled to expire on October 12, 2022. Licensee hereby respectfully requests an extension.
