LICENSE RENEWAL EXHIBIT

In preparing its license renewal filing, the station conducted an audit of its online public file and determined that the following material was not timely uploaded to the online public file:

- Children's Television Programming Report for 4Q 2015 was uploaded on 8/25/22.
- Children's Programming Commercial Limits Certifications for 2Q 2018 and 3Q 2018 were uploaded on 2/4/19.
- Annual EEO Public File Report for 2015, 2016, 2017, and 2021 were uploaded on 10/5/15, 2/17/17, 2/14/19, and 10/4/21, respectively.

As a result of its public file audit, the licensee has provided training to its staff responsible for uploading material to the public file to reinforce the importance of uploading such material promptly.

Station KDKF is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two years, the station has determined that a small number of orders were not routinely uploaded within one business day. Station management has implemented corrective measures to ensure that political material is now uploaded within one business day from a request for time.
