

LICENSE RENEWAL EXHIBIT

In preparing its license renewal filing, the station conducted an audit of its online public file and determined that the following Issues Programs Reports were not timely uploaded to the online public file:

- 1Q 2021 (uploaded 1/20/22); 2Q 2021 (uploaded 4/7/22); and 3Q 2021 (uploaded 10/13/21)

As a result of its public file audit, the licensee has provided training to its staff responsible for uploading material to the public file to reinforce the importance of uploading such material promptly.

Station KHVO is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two years, the station has determined that some orders were not routinely uploaded within one business day. Station management has implemented corrective measures to ensure that political material is now uploaded within one business day from a request for time.
