

Online Public Inspection File

The requisite materials were timely provided in the KAIL-TV online public inspection file with the following exceptions:

- 4Q 2017 Children's Television Report
- 3Q 2019 Commercial Limits Certification

KAIL-TV is an authorized satellite of KHON-TV, Honolulu, Hawaii, FAC ID 4144. KAIL-TV rebroadcasts 100% of the parent station programming. When political advertisements aired, they were contracted for on behalf of KHON-TV, and the relevant documentation was continually uploaded into the political subfolder of KHON-TV's online public inspection file. In an abundance of caution, KAIL-TV is uploading these political documents to its public online inspection file and will continue do so on a going forward basis.
