

Online Public Inspection File

The requisite materials were timely provided in the KGMV(TV)¹ online public inspection file with the following exception:

- 3Q 2019 Commercial Limits Certification

KGMV(TV) is an authorized satellite of KHII-TV, Honolulu, Hawaii, FAC ID 36917. KGMV(TV) rebroadcasts 100% of the parent station programming. When political advertisements aired, they were contracted for on behalf of KHII-TV, and the relevant documentation was continually uploaded into the political subfolder of KHII-TV's online public inspection file. In an abundance of caution, KGMV(TV) is uploading these political documents to its public online inspection file and will continue do so on a going forward basis.

¹ Nexstar, pursuant to the Commission's December 2018 consent of the FCC Form 314 assignment (FCC File No. BALCDT-20181106ABF), acquired the KGMV(TV) on January 28, 2019. Consequently, all certifications within the instant renewal application are from January 28, 2019 forward.
