

REASONS FOR SUSPENSION OF OPERATIONS AND SILENT STA REQUEST

ON SEPTEMBER 29, 2022, WMAA-LP WENT OFF THE AIR DUE TO MAJOR DAMAGE SUSTAINED BY ITS FACILITIES, PRODUCED BY FLOODING CAUSED BY HURRICANE FIONA. IT IS ESTIMATED THAT IT WILL TAKE SIGNIFICANT TIME TO REBUILD THE FACILITIES AS MOST OF THE EQUIPMENT WILL HAVE TO BE REPLACED. A SIX-MONTH SILENT STA IS BEING REQUESTED TO ALLOW WMAA-LP ENOUGH TIME TO REBUILD.
