

### Reason for STA Extension Request

Combined Communications, Inc., licensee of KLRR(FM), Redmond, Oregon, FCC Facility ID No. 12510, respectfully requests extension of its current Special Temporary Authority (“STA”) (See LMS File No. BSTA-20220418AAE). The licensee originally requested its STA to operate at reduced power (approximately 1.6 kW ERP) with a temporary replacement transmitter due to problems with its previous transmitter. The licensee is still in the process of obtaining a replacement transmitter and anticipates that the replacement transmitter will be in place in early 2023.
