ANTENNA STRUCTURE REGISTRATION

The Antenna Support Structure to be used by the proposed facility is registered as ASR# 1203308.

The overall height of the structure as shown in the *instant* application differs from that shown in the ASR.

Simultaneous with the filing of the *instant* application, the applicant has started the Obstruction Evaluation process with the FAA reflecting the correct height. This has been assigned study number 2022-ASW-20787-OE.
