Subject: RE: [EXTERNAL]: RE: FCC Letter - K223CW and K287BQ - Letter of Inquiry

Counsel,

Before I act on the request, two questions for Centro Cristiano de Vida Eterna:

- 1) Do you concur with SDK Franco's request? and
- 2) Would you also like a 30 day extension?

Thanks,

Kim Varner

You don't often get email from mdenbo@fccworld.com. [Learn why this is important](#)

CAUTION: This email originated from outside of the Federal Communications Commission. Do not click on links or open attachments unless you recognize the sender and trust the content to be safe. If you suspect this is a phishing attempt, please use the 'Report Message' feature in Microsoft Outlook or forward the email to the NSOC.

Good afternoon Kim and all.

I note that the current due date for responding to the items set forth in this Letter of Inquiry is November 7, 2022. On behalf of SDK Franco, LLC, I would like to request a 30-day extension of time in which to respond, until December 7, 2022. This should allow SDK Franco a sufficient amount of time to collect all of the requested data and other information.

SDK Franco would have no objection if Centro Cristiano de Vida Eterna would like a similar extension of time in which to respond.

Please let me know if this e-mail will suffice as a means to request this extension, or whether you would prefer a more formal request be filed via LMS. And please call with any questions on this. Thank you!

- Mark

Subject: FCC Letter - K223CW and K287BQ - Letter of Inquiry

Dear Counsel,

Attached, please find the Letter of Inquiry from today (10/07/2022) concerning complaints raised involving stations K223CW and K287BQ.

On the second page of Attachment B (page 26 of the attached PDF file), there should be an embedded audio file. If it is not able to be played, the audio file is also attached to this email.

Sincerely,

Keith Coburn
