

**Neuhoff Family GP Marital Trust
Transfer of Control
Multiple Ownership**

This is one of five applications filed simultaneously by licensee of radio stations under the ultimate control of the Neuhoff Family GP Marital Trust. The applications seek the Commission’s consent to the transfer of control of the Neuhoff Family GP Marital Trust – and therefore the transfer of control of each of the five licensee entities – from Elizabeth R. Neuhoff as the sole trustee of the Neuhoff Family GP Marital Trust to Julian Cameron Hickman and Makena Chaffin Neuhoff as Co-Trustees of the Neuhoff Family GP Marital Trust.

The instrument for this transfer of control – The Resignation of Trustee, Appointment of Successor Trustees and Acceptance of Successor Trustees for the Neuhoff Family GP Trust UAD June 4, 2013 and the Subtrusts Created Thereunder – is included as an exhibit to this application.

There are no changes other than the trustees of the Neuhoff Family GP Marital Trust. And, the proposed Co-Trustees do not have any other attributable broadcast interests other than those attributable through the Neuhoff Family GP Marital Trust. Accordingly, the Commission has already approved the common ownership of the subject stations.

For reference, the Ownership Structure Flowchart is as follows:
