Ch 34 185 kW

Univision Tucson, LLC, licensee of KUVE-DT, Facility ID 63927, Green Valley, Arizona (the "Station") is currently operating at reduced power due to failed components in the internal cooling system of the Station's transmitter.

Station personnel have been in contact with the transmitter manufacturer to attain the necessary parts to repair the transmitter. It is currently expected that these parts will not be available in time for the Station to resume operations in accordance with its license within 10 days of the date on which the transmitter components failed. If the Station is not able to resume operations within the tolerances permitted under Section 73.1560(c)(1) of the FCC's rules within 30 days, the Station will file an application for special temporary authority.
