

# LMS FCC Form 2100 - Schedule 349

## Minor Change Application for Construction Permit

---

The pre-filled technical parameters listed below were edited in the on-line version of the current LMS Form 2100, Schedule 349, but are not reflected on the "Draft PDF Copy" of the application generated by LMS. Therefore, this exhibit submits the corrected technical parameters for the instant proposal for completeness.

<b>Antenna Technical Data</b> FCC Form 2100- Schedule 349	<b>Draft Copy Response</b>	<b>Correct Response</b>
